Dear Mr. Hedberg:

Enclosed is the copy of Tenneco's Revised Plan of Operations with the highlights of the corrected passages removed, and the pagination corrected. As stated in your conversation with Larry Gore on June 15, we are accepting the Revision to the Plan of Operations as complete as of May 28, 1992.

Enclosed are also the NOI submitted by Joseph (Mike) Caruso for work in T. 41 S., R. 13 W., sec. 15, and the proposed rock sale to Nicholas Yeagley in T. 42 S., R. 12 W., sec. 12. Part of the area he proposes to work is in the State section (section 2). Mr. Yeagley is proposing a surface pick-up type of operation for about 5 tons of rock.

If you have any questions or concerns about these operations, please contact Larry Gore of this office.

Sincerely,

Debbie J. Pietrzak  
Area Manager
